1. PREFERRED SHARES AS A CLASS

The Preferred shares shall as a class carry and be subject to the following rights, privileges, restrictions and conditions

ISSUABLE IN SERIES

1.1 The Preferred shares may at any time and from time to time be issued in one or more series, each series to consist of such number of shares as may, before the issue thereof, be fixed by resolution of the Board of Directors of the Corporation.

RIGHTS ATTACHING TO SERIES

1.2 The Board of Directors of the Corporation shall, subject as hereinafter provided and subject to the provisions of the *Canada Business Corporations Act* (the "CBCA"), determine, by resolution duly passed before the issue of the Preferred shares of each series, the designation, rights, privileges, restrictions and conditions to be attached to the Preferred shares of such series, including, but without in any way limiting or restricting the generality of the foregoing, the rate (which may be fixed or floating), amount or form of dividends (whether cumulative or non-cumulative) or the method of calculating dividends (including any change or adjustment to such amount or form of dividends or the method of calculating such dividends in the future), the currency or currencies for dividends, the dates of payment thereof, the right to convert into any security of the Corporation, the redemption, retraction, conversion, exchange and/or purchase terms and prices (including methods to adjust the same), any sinking or purchase fund requirements. 1.3 The Preferred shares shall, with respect to the payment of dividends and the distribution of assets in the event of liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other distribution of the assets of the Corporation among its shareholders for the purpose of winding-up its affairs, be entitled to preference over the Common shares and any other shares in the capital of the Corporation ranking after or subordinate to the Preferred shares as to the payment of dividends or in the distribution of assets upon liquidation, dissolution or winding-up ("Junior Shares"). The Preferred shares of any series may also be given such preference not inconsistent with the Articles over the Common shares and any other Junior Shares.

1.4 The Preferred shares of each series shall rank on a parity with every other series of Preferred shares with respect to the payment of dividends and distribution of assets in the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other distribution of the assets of the Corporation among its shareholders for the purpose of winding-up its affairs; provided, however, that in case any dividend or assets are insufficient to pay in full the amount due on all the Preferred shares, then such dividend or
