

Notice of Annual Meeting of Shareholders

NOTICE IS HEREBY GIVEN THAT the virtual annual meeting (the “**Meeting**”) of holders of common shares (the “**Shareholders**”) in the capital of Xebec Adsorption Inc. (the “**Corporation**”) will be held in a virtual only format on Thursday, May 12, 2022 at 11 :00 a.m. (Eastern Time) for the following purposes:

1. to receive the consolidated audited financial statements of the Corporation for its fiscal year ended December 31, 2021 and the report of the auditor thereon;
2. to elect the directors of the Corporation for the ensuing year;
3. to appoint the independent auditor of the Corporation for the ensuing year and to authorize the directors of Corporation to fix the auditor’s remuneration;
4. to vote, in an advisory, non-binding manner, on the Corporation’s approach to executive compensation described in the management information circular accompanying this notice of the Meeting (the “**Circular**”); and
5. to transact such other business as may properly come before the Meeting, or any postponement or adjournment thereof.

This year again, the Corporation is holding the Meeting as a virtual meeting only, which will be conducted via live audio webcast online at <https://virtual-meetings.tsxtrust.com/1266>, where all Shareholders and their proxyholders regardless of geographic location will have an equal opportunity to participate at the Meeting. Shareholders and proxyholders will not be able to attend the Meeting in person. This decision was made as we continue to deal with the impact of COVID 19. The Circular contains further details and instructions about virtual participation.

Please see section “How to Participate at the Meeting” on page 7 of the management information circular for additional instructions on how to attend the Meeting.

Record Date

The record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting is the close of business on March 23, 2022 (the “**Record Date**”).

Notice-and-Access

If your name appears on a share certificate, you are considered a “**Registered Shareholder**”. If your shares are listed in an account statement provided to you by an intermediary, you are considered a “**Beneficial Shareholder**”. Only Shareholders as of the Record Date are entitled to receive notice of the Meeting and, only Registered Shareholders and proxyholders (including Beneficial Shareholders which have appointed themselves as proxyholders) are entitled to vote at the Meeting.

This year, as permitted by Canadian corporate and securities regulators, the Corporation is using notice-and-access to deliver the Circular and other proxy-related materials (the “**Meeting Materials**”) to both its Registered

Shareholders and Beneficial Shareholders. Beneficial Shareholders are either objecting beneficial owners (“OBOs”) who object that intermediaries disclose information about their ownership, or non-objecting beneficial owners (“NOBOs”), who do not object to such disclosure. This notice is being sent by the Corporation to OBOs and NOBOs indirectly through intermediaries.

Notice-and-access is a set of rules that allows issuers to post electronic versions of proxy-related materials online, via SEDAR and one other website, rather than mailing paper copies of such materials to Shareholders. Under notice-and-access, Shareholders still receive a proxy form or voting instruction form enabling them to vote at the Meeting.

However, instead of paper copies of the Meeting Materials and of the Financial Statements, Shareholders receive this notice which contains information on how they may access the Meeting Materials and the Financial Statements online and how to request paper copies of such documents. The use of notice-and-access will directly benefit the Corporation by substantially reducing its printing and mailing costs and is more environmentally friendly as it reduces paper use.
